Mr. H. H. Mitchell,  
Supt. Accounting Dept.  
Employers' Liability Assurance Corp. Ltd.,  
110 Milk St.,  
Boston, Mass.

Dear Sir:

I am in receipt of your letter of June 1st. I had a previous communication from you on May 20th on the same matter. Upon receipt of your first letter I immediately contacted the Accountant who had examined my books, Mr. Manning located at your Newark office.

When the insurance was placed with you last year, the Placement Bureau in Newark had classified me, the undersigned, as an office employee, due to the fact that all of my work in connection with the Ball team is conducted in the office. Your Accountant, Mr. Manning has classified me as a ground employee.

Mr. Manning has now informed me that it will be necessary for me to contact the Placement Bureau here in Newark to have them clarify the matter. I will take care of it tomorrow, and will write you again immediately what their decision was. Rest assured that any additional premiums required will be gladly and punctually paid.

Very truly yours,
